THETA XI FRATERNITY
ALPHA PSI FUTURE LEADER SCHOLARSHIP

Scholarship Purpose and Criteria for Selection:

The Alpha Psi “Future Leader” Scholarship, sponsored by Theta Xi Fraternity, serves to recognize the applicant’s High School achievements in scholarship, leadership, and extra-curricular activities and to promote continuation of these ambitions for newly enrolled students at Missouri University of Science and Technology embarking on their college career. This scholarship is to be awarded on an annual basis for the fall semester to two undergraduates who are newly enrolled at Missouri University of Science and Technology as full-time students. The recipients of this scholarship are not required to become a member of Theta Xi either as an Associate or Active member.

This scholarship program was first implemented in 2017 and we are grateful to the Alumni for their continued support in providing this opportunity.
